IN RE: Frontier Communication International, Inc.)	
- Request for Approval of Revisions to Its)	ORDER
SC Tariff No. 1 to Change Maximum Current)	APPROVING
Per-Minute Rates for Operator Services)	PORTION OF
and to Change Current Per-Minute Rates)	TARIFF FILING
for Frontrunner Service.)	

This matter comes before the Public Service Commission of South Carolina ("the Commission") on the request of Frontier Communications International, Inc. ("Frontier" or "the Company") for approval of revisions to its South Carolina Tariff No. 1 to change maximum and current per-minute rates for Operator Services and to change certain current per-minute rates for its Frontrunner Services.

By letter dated March 10, 1995, the Commission's Executive Director instructed Frontier to publish one time, at its own expense, a Notice of Filing in newspapers of general circulation in the affected areas and to provide proof of publication to the Executive Director. No Petitions to Intervene or Protests were filed with the Commission.

At its regular meeting on April 18, 1995, the Commission noted that a portion of the Tariff would change the maximum rates for Operator Services. The Commission, therefore, instructed Staff to set this matter for hearing. Staff set this matter for hearing and

on May 8, 1995, issued a Notice of Hearing.

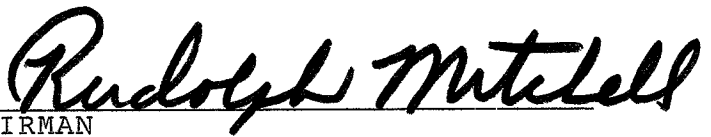

The Commission has re-examined this matter and believes that the Frontrunner portion of the tariff revisions should be approved as filed, since the revisions to the Frontrunner service has no relation to the change in maximum rates of the Operator Services. However, the Commission believes that the previously scheduled hearing on the proposed rate changes to the maximum and current per-minute rates of Frontier's Operator Service Offering should proceed as scheduled.

IT IS THEREFORE ORDERED THAT:

1. The Frontrunner portion of Frontier's revisions to its S.C. Tariff No. 1 is hereby approved.
2. Within thirty (30) days of receipt of this Order, Frontier shall provide to the Commission "Appendix A, Page 1" and the "Check Sheet" page of such tariff (Frontrunner Service Current Rate) to reflect current revision levels.
3. The hearing that was previously scheduled in this matter shall proceed on the remaining portion of the tariff, being the revisions to the maximum and current per-minute rates of Frontier's Operator Services offering.

4. This matter shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:
